PLANTING CHURCHES IN **NEW ZEALAND**

March 2026

Hello Friends,

There are times each year that I look at the calendar and think to myself “How is it already this date?” Today was one of those days. Summer has ended here in New Zealand, and the cooler days of autumn have started here in Gisborne. Several things have happened since our last letter, so we hope you enjoy this update.

We enjoyed our first Christmas in the city of Gisborne. The weather was fantastic and we even brought out some meat for a nice barbecue. The New Year, brought several changes. Nola started school the first week of February, and Bekah and I were quite the emotional parents. We had a great morning and she has really enjoyed her new “chapter” of life. The school she attends is just a five minute walk from our house, and so she really enjoys her walk to school each morning.

We also began the preparations for our Grand Opening Service of Bay Light Baptist Church. The initial Christmas service went very well. We were encouraged by the service and even the conversations that followed over some coffee and bakery items.

During the month of February I received a message from a lady that had attended that service asking if she could have a conversation about some things that were heavy on her heart. She began to really pour out her heart about how bad of a person she is and that she wants to change. I began to share with her the gospel and after about two hours of talking we went our separate ways. We continued to pray that God would work in her heart, and about two days later she messaged me saying that she had just read Romans 9:10-13 and did what it said. We were thrilled over her decision!

That lead us up to the first Sunday in March. We launched our Grand Opening Service of Bay Light Baptist Church. The Lord allowed us to meet in a nearby school hall and have a coffee truck to celebrate the occasion. We were excited, but also nervous when the morning arrived. We didn’t know what would happen, but the Lord allowed us to have fifteen people in attendance—including our family. I preached on the “Gospel Light” from the theme passage for the church in 2 Corinthians 4:3-6. We rejoiced over what God did, and understand in some ways the work has just begun. We can’t wait to see what God does and truly believe the best days are ahead.

We thank you so much for all your prayers and support. The text messages and emails from many of you have been so encouraging. We pray your year is off to a great start and look forward to the rest of 2026.

Never Quit,
