Church Planter to Pittsburgh, Pennsylvania

February, 2026 | Prayer Letter

Greetings!

Time has flown over the past couple of months! Everything about Pittsburgh was great until **Snowmageddon when we got 23 inches of snow!** Please pray that God will help this Florida boy adapt to these snowy conditions! God has provided in so many special ways! By His grace, I am pretty much **booked with meetings until October.** This is a huge answer to prayer, as God has continually provided meetings over the past couple of months! It has been a great joy to spend time with various church families and to be encouraged by people who want to see Him start a church in Pittsburgh.

Wedding!

Risha and I are just a little over two weeks away from getting married on March 6th! We are absolutely thrilled and can't wait to start our lives together. Please keep us in your prayers, as wedding planning can be stressful at

times. Please also continue to pray for Risha; she dislocated her knee about a month and a half ago and just completed physical therapy yesterday! Risha is such an answer to prayer in so many ways, and we are excited to not only start our lives together but to start God's church together in Pittsburgh. Please pray that God will build a hedge of protection around us and that He will always be at the center of our marriage.

Deputation Update

With some promised support coming in when the church starts next year, we are at 25% support! God has been so gracious during this time of deputation, and we are thrilled to see Him continue to provide in the upcoming months. Our goal is still to start a **Bible study in the Spring of 2027** and to launch **New Life Baptist Church in the Fall of 2027!** In the meantime, I will be handing out

personal tracts that have a link to my website and a Gospel film so that people I meet in the community can see a clear presentation of the Gospel. Please pray that I can build personal contacts over the next year until we start the Bible study next spring!

Thank you all so much for your continued prayers and support!
