Dear Church, Pastor, and Friends,

From January to February, there were **135** salvations and **9** baptisms in the ministry. In these times in which we live, it is harder to get people to understand and seek after truth. See Romans 3:10. However, our job is to continue to take the message to the multitude. Some will listen and do nothing, some will say "Not now," and some will believe and follow. See Acts 17:32,34. Psalms 85:6 tells us, "*Wilt thou not revive us again: that thy people may rejoice in thee?*" If revival comes, it must come to "us," "thy people." This is not a one-time thing. It has to happen over and over again. Our joy and rejoicing must be in "thee," not in the response of the multitude. The problem is that the crowd that keeps going, who continually makes the Lord their foundation is getting smaller and smaller, but not as small as the devil would like us to believe. See I Kings 19:10,18.

In January we had our annual church workers' banquet. We were delighted to see some new people taking up the challenge to get involved in the ministry. That might include ushering, working in the nursery, joining the choir, cleaning the church, and fixing snacks for our teen meetings. We also started a new Sunday school class. It is called The King's Business Sunday School. This class is geared for single, young adults to help them see that they don't have to feel left out. They have great potential, and God wants to use that potential to contribute to the church's ministry of taking the message to the multitude.

In February, we had a Valentine's outing for couples. There were more married couples that joined us this year than in other years. We took them by the Sea Wall. This is a solid, broad wall that you can walk on, that keeps the Atlantic Ocean from overflowing the below-sea-level land of our coastline. Along this wall is a stretch of little, outdoor restaurants. We all had a wonderful evening, eating, laughing, and playing photo scavenger hunt. Each couple had to take pictures of themselves with various items on a list that was given to them. They were given a time limit. We all voted on the best picture for each item that was on the list. The couple that won the most "best pictures" got a good round of applause. Some of us older couples could hardly use a cellphone to take a good "selfie." It was a blast!

My wife and I work a bus route, which I captain. In February we had a bus route promotion called "February Faithfulness." Whichever rider came faithfully each week to church on the bus got to go out for pizza in the park with us. This year, not as many made it because of illness and flu. But, we had some, and they were excited about the pizza and the fun park.

Thank you to you, our dear churches and friends. So many of you have been supporting us for many years. Your support and prayers for our work make us feel important. You care about the people and the multitude that God cares about, many of whom you will never see here on earth, but you will see them in Heaven. Stay revived. May your hearts rejoice, and may He give you His everlasting joy.
